

Teachers are Talking about *Write Source 2000* . . .

“I like the clear, concise way the material is presented. I also like the logical progression of skills. It's an excellent resource book. I especially like the student's almanac and curriculum correlations. It's great! This can be a very useful addition to any class.”

Sarah Flanagan, English Teacher
St. Columbanus School, Chicago, IL

“I like the general format of the handbook, its conciseness and yet completeness are superb! I also appreciate the 6-trait writing model reference. I had previously been made aware of your *Writers INC* edition when my older son, a college freshman, called home and said, 'Mom, I've got to get this book!' It's great to see that there is a middle level edition!”

Toni Becker, Language Arts Department Chair
Grant Junior High School, Goodland, KS

“I like the step-by-step writing instruction. It makes it so much simpler for us language arts teachers! It's all here in one book! The peer response is a great addition. I have used you *Write Source* book with middle school students since your first edition and found great success. Parents love it as a resource too! You have found the need and filled it!”

Karen Marchetto, Language Arts Chair

“*Write Source 2000* is very complete and easy to use. An excellent resource for my students. Written to incorporate the computer, portfolios and other classroom projects. This is the best writing reference I have ever seen for middle schoolers!”
